LETTER TO THE OFFICIAL DRAFTSPERSON

Attached are 16 sheets of formal drawings for this application, with each sheet indicating the title, inventor's name, and application number on the front of each sheet and centered within the top margin, together with a copy of the Notice of Allowability.

New formal drawings are being submitted only for Figs. 1A-1C, 2B-4C, 7B, 8A, 9A, 10A, 11, 12 and 14. These are the only figures that were found objectionable in the Notice of Draftsperson's Patent Drawing Review dated March 11, 2002. New formal drawings were not required for the remaining figures. However, Applicants have also submitted a new Fig. 9B having more distinct lines and lettering.

Figs. 1A-1C are photographs. It is the Applicants' understanding that there is no requirement for a petition or fee, and only one set of photographs is required (1213 O.G. 108 (August 4, 1998), 112 O.G. 37 (June 9, 1998) and 37 C.F.R. § 1.84(b)(1)).

Please return the enclosed postcard to confirm that the items listed above have been received.

Respectfully submitted,
